Subject: Invite to Speak at the 5th Passaic River Symposium

Dr. Meiyin Wu,

I am following up on your request for EPA Regional Administrator Judith Enck to deliver opening remarks at the biennial symposium that we be held on October 19, 2012. EPA is in receipt of Dean Prezant's May 17, 2012 letter to EPA. I also understand that you spoke with EPA's regional Public Affairs Director, Bonnie Bellow, on June 29. As Bonnie indicated to you, EPA would be delighted to participate in the opening session of the symposium. An event request has been made for Judith Enck to attend. A senior EPA official will participate in the opening session. As the date of the symposium gets closer we will have a better idea as to the regional administrator's availability. Thank you for the opportunity to participate in this very important and historically successful event dedicated to remediation and restoration of the Passaic River and its watershed.
